"DISCLAIMER: SLOVPACK s.r.o. is a fictional company created for portfolio purposes. All data, names and scenarios are invented."

SMS Scope Statement The Information Security Management System (ISMS) of SLOVPACK s.r.o. covers all information assets, business processes, personnel and technology involved in the design, production, sale and distribution of packaging products. This includes:

- the headquarters and production facility in Bratislava-Rača, including the on-premise OptiFlow ERP system and the server room;
- the leased warehouse in Senec, including use of the LogisSoft warehouse management system (WMS);
- the Microsoft 365 environment and all company-managed endpoints and mobile devices;
- the B2B e-shop platform, including oversight of the external development agency (WebFront Digital) and hosting provider (HostPoint SK);
- all 45 employees, and the activities of contracted service providers (NetAdmin Solutions, WebFront Digital, LogisSoft, PayWell) insofar as they affect SLOVPACK's information security.

Exclusions: None. **Interfaces and dependencies:** MSP remote administration (NetAdmin RMM access), VPS hosting of the e-shop, cloud payroll service (PayWell), site-to-site VPN between HQ and the Senec warehouse, physical security services provided by the warehouse landlord.
