

Document title	Acceptable Use Policy
Document ID	SLP-POL-001
Version	1.0
Classification	Internal
Owner	ISMS Manager
Approved by	Peter Kováč, Managing Director
Date	6 March 2026

DISCLAIMER: SLOVPACK s.r.o. is a fictional company created for portfolio purposes. All data, names and scenarios are invented.

1. Purpose This policy defines binding rules for the acceptable use of SLOVPACK s.r.o. information systems and devices, in support of the Information Security Policy (SLP-ISMS-003).

2. Scope All employees, contractors and third parties accessing SLOVPACK information assets.

3. Policy statements

- Company devices and Microsoft 365 accounts are provided for business use; reasonable personal use is permitted if it does not affect security or productivity.
- Installation of unauthorised software is prohibited.
- Use of private USB media is prohibited; production file transfers use designated encrypted company USB drives only.
- Company data must not be stored in private cloud services (Dropbox, personal Google Drive, personal e-mail). The approved sharing channel is OneDrive/SharePoint.
- Screens must be locked when unattended; automatic lock after 10 minutes is enforced centrally.
- Confidential documents (contracts, pricing, specifications) must not be left unattended on desks (clear desk rule).
- Suspicious e-mails must be reported to the IT Administrator immediately and must not be interacted with.

4. Responsibilities Policy owner: ISMS Manager. Enforcement: IT Administrator. All employees must comply and report violations.

5. Exceptions Exceptions require written approval by the ISMS Manager and are recorded with an expiry date.

6. Review Reviewed annually or after significant change.
